

Support and Protect our Outstanding Schools

- Help schools retain highly qualified teachers by building affordable housing for teachers
- Increase safe biking and walking routes to schools

Bring Traffic Relief and New Transit Options

- Relieve traffic congestion
- Fight for regional solutions
- Implement major upgrades to highway interchanges
- Bring effective transit options to the West Valley

Improve our Environment

- Offer lower cost, carbon-free electricity in 2017
- Further reduce emissions from large sources of pollution including the Lehigh cement plant
- Improve parks and open spaces

SINKS
*Rod Sinks for
 Cupertino City Council*

Rod & Britta's children are proud graduates of Cupertino schools

Working with State and local leaders to solve our biggest challenges, Rod is recognized as a leader in Cupertino, Santa Clara County and the Bay Area

State Route 85 Policy Advisory Board

Founding Chair; Rod organized North County and West Valley Mayors to successfully negotiate \$248 million for improved interchanges and roads in Cupertino and \$350 million for a new transit option in the unused median of Highway 85 in Measure B

Silicon Valley Clean Energy Authority (SVCEA)

Founding Chair; Rod drove creation of SVCEA with mayors in neighboring cities to bring competition to PG&E with less expensive, 100% carbon-free electricity to residents and businesses in 11 cities in 2017

Bay Area Air Quality Management District (BAAQMD)

Improving air quality through regulation, grants and education; Rod is one of only two board members representing the 15 cities of Santa Clara County

“Rod listens, collaborates and acts on priorities vital to Cupertino and has my enthusiastic support”
 Ro Khanna, candidate for Congress

“I’m grateful for Rod’s work to help our schools, with safer bikeways and walkways, and more”
 Kristen Lyn, CUSD Board member

“Rod is making huge progress on climate change and cleaner air; we need to re-elect him!”
 Gary Latshaw, Environmental Leader
